ITF-14	1-00-67049-72017-4
Storage	Store in the original container protected from sunlight, in a dry, cool and well-ventilated place, away from incompatible substances, food and drink.

Features/Benefits

This highly concentrated detergent is specially designed to effectively remove stubborn grease and food residue from dishes. Its powerful formula works quickly, even on stubborn stains, leaving your dishes sparkling clean without leaving any soapy residue. It's ideal for tough tasks such as cleaning heavily soiled pots, pans, and other utensils. It also leaves a pleasant fragrance after use.

USE: Add 15 to 60 ml of product per gallon of hot water. For optimal dissolution, pour the detergent before adding the water.

Refer to the Safety Data Sheet (SDS) for additional information.
