9. Physical and chemical properties

Information on basic physical and chemical properties

Appearance	Clear liquid.
Colour	Blue.
Odour	Characteristic.
pH	pH (concentrated solution): 6.2-7.2
Relative density	1.0 @ °C

10. Stability and reactivity

Stability Stable at normal ambient temperatures.

Conditions to avoid There are no known conditions that are likely to result in a hazardous situation.

Hygenipak Instafoam Foaming Skin Cleanser

Materials to avoid No specific material or group of materials is likely to react with the product to produce a hazardous situation.

Hazardous decomposition products Does not decompose when used and stored as recommended.

11. Toxicological information

Information on toxicological effects

Toxicological effects No data recorded.

Inhalation No specific health hazards known.

Ingestion May cause discomfort if swallowed.

Skin contact Skin irritation should not occur when used as recommended.

Eye contact May cause temporary eye irritation.

12. Ecological information

Ecotoxicity Not regarded as dangerous for the environment.

Persistence and degradability

Persistence and degradability The product is biodegradable.

Bioaccumulative potential

Bioaccumulative potential No data available on bioaccumulation.

Mobility in soil

Mobility The product is water soluble and may spread in water systems.

13. Disposal considerations

Waste treatment methods

General information When handling waste, the safety precautions applying to handling of the product should be considered.

Disposal methods Dispose of waste to licensed waste disposal site in accordance with the requirements of the local Waste Disposal Authority.

14. Transport information

Road transport notes Not classified.

Rail transport notes Not classified.

Sea transport notes Not classified.

Air transport notes Not classified.

Environmental hazards

Environmentally hazardous substance/marine pollutant
No.
